

# MB Citaro Facelift

## OPERATING THE BUS

1. All information concerning the function of each button along with certain variables for editing are the same as in normal Citaro, which can be seen here: [MB Citaro](#)
2. Novitus Nano E ticket printer
  1. Click and hold the 'C' button for a few seconds,
3. The function buttons (F, F1-F4) are used to select the ticket (see below for further information)
4. Click OK to print the ticket
5. Money is located in the Money-box. In order to gain access to it, click the key to unlock it, and then pull to

F1	Fahrschein norm.
F2	Kurtzstr. erm.
F3	Tageskarte norm.
F4	Fahrschein erm.
F + F1	Kurtzstr. erm.

4. Door commands (use only these to operate the doors!)

<b>Door 1</b>	KY_bus_doorfront0
<b>Door 2</b>	KY_bus_doorfront1
<b>Door 3</b>	KY_bus_doorfront2
<b>Door 4</b>	KY_bus_doorfront3
