ALU Map Improvements

Introducing a small pack that makes some minor adjustments on the map.

Latest release: https://cloud.gameburrow.codes/s/DXaAiDed5YEsrPN

First changes I've done:

> Removed the hanging traffic lights on this junction as they were too low for multiple busess
> https://i.imgur.com/bkgT8Dy.jpg

> Removed the barrier on this roundabout (only the side shown in the picture) as it tended to get in way when using bigger buses who needed a bigger turn radius
