

ALU Map Improvements

Introducing a small pack that makes some minor adjustments on the map.

Latest release: <https://cloud.gameburrow.codes/s/DXaAiDed5YEsrPN>

First changes I've done:

Removed the hanging traffic lights on this junction as they were too low for multiple buses

<https://i.imgur.com/lkgT8Dy.jpg>

Removed the barrier on this roundabout (only the side shown in the picture) as it tended to get in way when using bigger buses who needed a bigger turn radius
