This can only be done once in 60 days

1. Launch your BCS
2. On top left click **Manage profile**

3. Click on **Change**

The screenshot shows a dark-themed user profile interface. At the top left is a back arrow. The title 'Profile' is centered at the top. Below it, there are two input fields. The first is labeled 'Your username:' and contains the text 'GameBurrow'. To its right is a yellow button with a pencil icon and the word 'Change'. A red arrow points to this button. The second input field is labeled 'Your e-mail address:' and is redacted with a solid red bar. To its right is another yellow button with a pencil icon and the word 'Change'. Below these fields are two red buttons: 'Reset singleplayer career' and 'Reset multiplayer career'. At the bottom are two more buttons: a yellow one with a pencil icon and 'Change password', and a red one labeled 'Logout'.

4. Edit your username and click **Save**
